International Credit Mobility

Application process

Instructions and advice to teaching staff

o **Application process**

The process consists of four stages:

1. Contact staff at the USC
2. Application online
3. Pre-selection
4. Selection

1. Contact teaching staff at USC

- Check with your International Office on existing academic/faculty staff contacts at USC,

Or:

- Search for Professors and researchers:

USC Researchers

Through the public list of Researchers, the University of Santiago de Compostela offers to the society the expertise and capacities of his researchers.

One can search for a particular faculty member's research profile by entering his or her name. Also, one can search faculty research profiles by using research interest or expertise keywords.

1. Searches are not case sensitive neither sensitive to accents or special characters; entering *Yáñez or Yañez or yanez or YANEZ* will yield identical results.
2. Searches will look for leading strings on names. For example, entering *Alv* in the Researcher box will return entries that match *Alvarez, Alvaro, Juan Alvedro*.
3. Searches will look for leading strings on research interest topics too. For example, entering *Fis* in the *Expertise and interest* box will return entries that match this substring (E.g. *Física, Actrofísica, Físicos*).
4. For name searches, we recommend that you search by last name only.
5. If no values are provided in both boxes, it will show all researches registered (it will take some time).

Researcher   AND

E.g. *Fernando, fernando alvarez, Álvarez González*

Expertise and interest

E.g. *historia, historia natural, historia arte*

Description:
_____

Non hai datos

Research Expertise and Interest:
_____

- Forest Economics
- Natural resource economics
- Forest Fires

Update my personal data

2. Application online

- Once you have a USC member of teaching staff ready to sign your mobility agreement, you are ready to go ahead with the application through the online application tool – see the Tutorial guide.

- Documents to be uploaded:
    - *CV*
    - *PASSPORT COPY*
    - *MOBILITY AGREEMENT*
    - *PROOF OF EMPLOYMENT*
    - *INVITATION LETTER*

3. Pre-selection

Once the application period closes, Institutional coordinators at partner universities will pre-select their staff

4. Selection

- USC will confirm the pre-selected staff

Please address all enquiries to:
