Professor Oksana ANDRIIETS
Rector of Bukovinian State Medical
University, Ukraine

Dear Mr. Rector,

Dear colleagues,

During this tragic period for Ukraine, *Nicolae Testemitanu* State University of Medicine and Pharmacy of the Republic of Moldova expresses its full solidarity with the heroic struggle of the Ukrainian people for peace and freedom, for their democratic choice to join the European community. We convey our message of peace and understanding, friendship and unity, courage and strength to all the citizens of Ukraine. We are convinced that problems can be solved through diplomatic negotiations and we wholeheartedly hope that responsible action will be taken to end the war and human rights violations in the territories of Ukraine occupied by Russian military forces.

In these difficult days, we assure you that *Nicolae Testemitanu* University community offers support for Ukrainian refugees through accommodation, psychological counseling, free emergency medical and dental services. Our thoughts are with the Ukrainian nation and we express our regret and compassion for the grieving families and people.

We will continue to put all our effort to help Ukrainian refugees in the Republic of Moldova to get through this difficult period more easily. We plead for world peace and good understanding between nations!

Sincerely,

Rector
