The sessions will take place in parallel rooms.

Please note that for the following subsections —*Medicine, Dentistry, Dental Technology, General Nursing, and Balneophysiokinetotherapy*— EMC credits will be awarded (by medicine and dentistry we mean the specialties of these fields).

We kindly ask you to send, by **January 9, 2026**, to the email address secretariat@univapollonia.ro, the title of your paper, the authors, abstract, affiliation, and the section in which you wish to participate. The registration form is attached to this invitation. Heads of clinics, departments or disciplines who wish to participate in the congress are invited to submit, alone or together with teams of collaborators, single topics or topics that can be grouped into sessions, round tables, professional debates, etc. that they will monitor.

Papers presented during the Congress may be published, upon request, in one of the journals edited by "Apollonia" University of Iași: *International Journal of Medical Dentistry* (www.ijmd.ro), *International Quintessence of Biomedical Research* (<https://iqbmr.ro>) and *International Journal of Communication Research* (www.ijcr.eu). The abstracts of the papers presented at the International Congress will be published in supplements of the aforementioned journals, provided they are submitted on time.

Before and during the Congress, specialized courses, workshops, practical demonstrations, and hands-on sessions will take place according to a predefined schedule, which will be announced in due course.

Details regarding the program, credits, and participation fees will be published on the following websites: www.univapollonia.ro and www.congres.univapollonia.ro.

Given the above, we kindly invite you to take part in the debates of the International Congress.
